

Location IS Everything! : Ascension, Louisiana Why it Works!

Is location part of your strategy? Ascension Parish's strategic location to the Gulf of Mexico and South Americas along with its multi-modal transportation network, position it as a location for opportunity in the southern U.S. for nearly any type of operation.

Key advantages include:

3 deepwater ports on the great Mississippi River including one of the world's leading container ports

3 Class I railroads

4 interstates within a 60-mile radius

International airline service in Baton Rouge and New Orleans
